THE FACE OF COSMETIC DENTISTRY

Dr. Susan Kutis has been dedicated to the dental field for over 20 years, building strong, lasting relationships with her patients. As the owner of Blue Sage Dental, her priority is to provide conservative, functional, and high-quality care using the latest techniques to achieve optimal results. Known for her compassion, expertise, and commitment to excellence, she consistently exceeds patient expectations in both treatment and customer service. Her dedication has earned her Top Dentist recognition in both Chicago and Denver.

A leader in dental education, Dr. Kutis invests in advanced training at prestigious international institutions, setting Blue Sage Dental apart as one of Colorado's top cosmetic and family dentistry practices. She has also made a significant impact on the profession, serving as president of the Metropolitan Denver Dental Society (MDDS), where she helped organize one of the largest dental conferences in the western U.S. Additionally, she is an educator for the Pacific Aesthetic Continuum and the former chair of the Colorado Dental Association Foundation.

Dr. Kutis' reputation for exceptional dental care keeps patients coming back for years. To see before-and-after photos of her cosmetic work, visit bluesagedental.com.
